- SPECIFIC DEFINITIONS -

The Debtors have created a ZAI Proof of Claim Form for ZAI Claims. Such claims are defined as follows:

"Zonolite Attic Insulation Claim" or "ZAI Claim" shall mean: (i) a claim, demand, or remedy, including all related claims, debts, obligations, or liabilities for compensatory (including general, special, and consequential damages) and punitive damages, (ii) a cross-claim, contribution claim, subrogation claim, reimbursement claim or indemnity claim, or (iii) any debt, liability, or obligation of one or more of the Debtors (or any of their respective past or present Affiliates, or any other Entity for whose products or operations any of the Debtors allegedly has liability or is otherwise liable) (whether or not such claim, demand, remedy, debt, liability, or obligation is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured; whether or not the facts of or legal bases therefor are known or unknown; and whether in the nature of or sounding in tort, or under contract, warranty, guarantee, contribution, joint and several liability, subrogation, reimbursement or indemnity, or any other theory of law, equity, or admiralty), for, relating to, or arising out of, resulting from, or attributable to, directly or indirectly property damage, including the cost of removal, abatement, or diminution in the value thereof, or environmental damage or economic loss caused or allegedly caused, by the ZAI sold, manufactured, supplied, produced, specified, selected, distributed or in any way marketed by one or more of the Debtors (or any of their respective past or present Affiliates, or any of the predecessors of any of the Debtors or any of their respective past or present Affiliates, or any other Entity for whose products or operations any of the Debtors allegedly has liability or is otherwise liable). The defined term "ZAI Claim" is not intended to include those claims separately defined herein as (a) Asbestos Property Damage Claims; (b) Asbestos Personal Injury Claims; (c) Non-Asbestos Claims; or (d) Asbestos Medical Monitoring Claims.

"Asbestos Personal Injury Claims" are claims that involve personal injuries or damages related to exposure to asbestos containing products manufactured by the Debtors or exposure to vermiculite mined, milled or processed by the Debtors. More specifically, Asbestos Personal Injury Claims are those claims against one or more of the Debtors, whether in nature of or sounding in tort, contract, warranty or any other theory of law or equity for, relating to or arising by reason of, directly or indirectly, physical, emotional or other personal injuries or other damages caused, or allegedly caused, directly or indirectly, by the exposure to, asbestos containing products or materials manufactured, sold, supplied, produced, specified, selected, distributed or in any way marketed by one or more of the Debtors or by the exposure to vermiculite mined, milled or processed by the Debtors, and arising or allegedly arising, directly or indirectly, from acts or omissions of one or more of the Debtors, including, but not limited to, all claims, debts, obligations or liabilities for compensatory damages such as loss of consortium, medical monitoring, personal or bodily injury, wrongful death, survivorship, proximate, consequential, general and special damages and punitive damages. For purposes of the ZAI Bar Date, the defined term "Asbestos Personal Injury Claim" is not intended to include those claims separately defined herein as (a) Asbestos Property Damage Claims; (b) Zonolite Attic Insulation Claims; (c) Non-Asbestos Claims; or (d) Asbestos Medical Monitoring Claims.

"Asbestos Property Damage Claims" are claims that relate, for example, to the cost of removal, diminution of property value or economic loss caused by asbestos in products manufactured by the Debtors or from vermiculite mined, milled, or processed by the Debtors. More specifically, Asbestos Property Damage Claims are those claims against, or any debt, obligation or liability of, one or more of the Debtors, whether in the nature of or sounding in tort, contract, warranty or any other theory of law or equity for, relating to or arising by reason of, directly or indirectly, property damage, including, but not limited to, diminution in the value thereof, or environmental damage or economic loss caused or allegedly caused, directly or indirectly, by asbestos in products or materials, manufactured, sold, supplied, produced, specified, selected, distributed or in any way marketed by one or more of the Debtors or from vermiculite mined, milled, or processed by the Debtors and arising or allegedly arising, directly or indirectly, from acts or omissions of one or more of the Debtors, including, but not limited to, all claims, debts, obligations or liabilities for compensatory and punitive damages. For purposes of the ZAI Bar Date, the defined term "Asbestos Property Damage Claim" is not intended to include those claims separately defined herein as (a) Zonolite Attic Insulation Claims; (b) Asbestos Personal Injury Claims; (c) Non-Asbestos Claims; or (d) Asbestos Medical Monitoring Claims.

"Non-Asbestos Claims" are any claims against the Debtors, other than Asbestos Personal Injury Claims, Asbestos Property Damage Claims, Zonolite Attic Insulation Claims, or Asbestos Medical Monitoring Claims. More specifically, Non-Asbestos Claims are those claims against one or more of the Debtors, whether in the nature of or sounding in tort, contract, warranty or any other theory of law or equity for, relating to or arising by reason of, directly or indirectly, any injury, damage or economic loss caused or allegedly caused directly or indirectly by any of the Debtors or any products or materials manufactured, sold, supplied, produced, specified, selected, distributed or in any way marketed by one or more of the Debtors and arising or allegedly arising directly or indirectly, from acts or omissions of one or more of the Debtors, including, but not limited to, all claims, debts, obligations or liabilities for compensatory and punitive damages. For purposes of the ZAI Bar Date, the defined term "Non-

Asbestos Claim" is not intended to include those claims separately defined herein as (a) Asbestos Personal Injury Claims; (b) Asbestos Property Damage Claims; (c) Zonolite Attic Insulation Claims; or (d) Asbestos Medical Monitoring Claims.

"Asbestos Medical Monitoring Claims" are claims against the Debtors by or on behalf of those who have not, as of the applicable Asbestos PI Bar Date, suffered any personal injury but who are alleging that the Debtors wrongfully caused them to be significantly exposed to hazardous asbestos fibers, that this exposure significantly increased the claimant's risk of contracting a serious latent disease, that medical monitoring could reasonably be expected to result in early detection of the onset and mitigation of the severity of such disease, and that because of this exposure it is necessary for the claimant to be examined by a physician or receive medical testing more often than he or she otherwise would. For purposes of the ZAI Bar Date, the defined term "Non-Asbestos Claim" is not intended to include those claims separately defined herein as (a) Asbestos Personal Injury Claims; (b) Asbestos Property Damage Claims; (c) Zonolite Attic Insulation Claims; or (d) Asbestos Medical Monitoring Claims.

The ZAI Bar Date for filing ZAI Claims is October 3, 2005, at 5:00 P.M. Eastern Time.

The ZAI Questionnaire Return Date for returning ZAI Questionnaires is November 4, 2005 at 5:00 P.M. Eastern Time.

Be sure to date the claim and place original signature of claimant or person making claim for creditor where indicated at the bottom of the claim form.
